The month of June was a proud and also sad moment for AHIS as we said good-bye to our Year 11 cohort. First, we shared their fun and happy moments at our Prom Night. Then, we awarded their academic excellence during our special Year 11 Graduation Day. The events gave a platform to students and teachers a time to share memories. We hope that our beloved students will achieve greater heights in their future.

Our Year 6 and Year 9 students performed well in the Cambridge Checkpoint Examinations. Four Year 6 students achieved a perfect score of 6.0 in all the three subjects namely English, Mathematics and Science. One Year 9 student achieved a perfect score of 6.0 for all the three subjects.

Our pre-schoolers had loads of fun at UK Farm. This field trip was part of their curriculum. It gave the students an opportunity to view live animals up close and learn about them!

Dr Suess said “The more that you read, the more things you will know. The more that you learn, the more places you'll go.” Every term, to instil and cultivate good reading habits, the school awards Gold, Silver and Bronze awards to students who read a certain number of English story books. This month, many primary and secondary students received their reading awards.

The year is not over yet as we still have some upcoming programmes in July such as our Year-End Concert and Award Presentation Day and also the Parents-Teachers Conference’. June also marks the beginning of Ramadhan month for our Muslim students, teachers and staff, where they will be fasting for one month. We wish you” “Selamat Berpuasa”.
Pre-School Graduation Trip to UK Farm

An adventurous and wonderful childhood memory was marked for the Reception children when they went to UK Farm on 16 June 2016. The Pre-school Graduation Trip to UK Farm provided an opportunity to the children to explore the natural environment, examining and learning about the plants and animals that surrounded them.

During the tour in UK Farm, the Reception children visited the enclosure that housed chickens, goats and rabbits. Besides that, the Reception children also engaged themselves in hands-on exploration using their senses to discover the basic needs of all living things, and how many of their own basic needs are fulfilled by a farm. The Reception children also participated in many activities that were arranged by UK Farm organizers such as feedstock processing, milk processing, feeding the animals, hugging the lamb and rabbit and more. Other interesting activities included visiting the Ostrich Park, JAKUN village and mushroom and vegetable farm.

The Reception children showed their love and care towards the animals and nature. They also enjoyed interacting with their friends. All the Reception students loved the hands-on tactile learning trip.
Learning beyond classroom through hands-on activities and exploration...
Our graduating Year 11 students held their Prom Night on the 12th June, and it was a glittering affair! Themed “A Night in Hollywood”, the students went all-out. They stunned us with beautiful ball gowns and professional hair and make-up by the ladies, and dashing suits for the gentlemen. Seeing our students looking so mature and confident filled all their teachers with immense pride.

The organising committee comprising Isabel Tan, Tay Teck Wee, Lee Zhuo Le, Darrell Tan and Divine Monteiro put together a spectacular evening of fun and entertainment, complete with Oscar-style awards ceremony, professional photo-booth and speeches of thanks to all of their teachers. It was very well coordinated, and expertly led by our two emcees, Kervin Rees and Darrell Tan. The evening culminated with Soh Yee Fei being crowned Prom Queen, and Darrell Tan the Prom King.

The wonderful night was enjoyed by all, and was a fitting send-off for our successful graduates. Now, we wish them the best of luck for their results, and their futures after graduation.
Year 11 Graduation Ceremony

It was a memorable day for our Year 11 students at their Graduation Day ceremony at AHIS in a heart-warming gathering amid smiling faces, laughter and exchanges of best wishes.

School Founder-Chairman Dato' Steve Chong in his speech hoped that the departing students would keep in touch with the teachers and students and wished them all the best in their future endeavours.

Two parents took to the stage to express their appreciation for what AHIS has done for their children in the last five years. They felt that they had made the right choice enrolling their children in the school. Three students also volunteered to voice their appreciation to the school for the knowledge and invaluable experience gained while studying at the school.

Students, parents and teachers were also privileged to view a video clip which brought them back to the time the students were in Year 7 at AHIS. Everyone was very surprised to see the young faces of the students of five years ago involving in activities together with their teachers and peers. And in a more recent event, the Year 11 Prom Night, was also shown to the audience.

The school would like to wish the departing students all the best in their future endeavours.
Reading Awards Term 3

There were about 100 students from the Primary and Secondary classes who received their Reading Awards as in Gold, Silver and Bronze this month. It marked a good ending for DEAR Programme this academic year.

The students who had successfully put their effort in reading were acknowledged by the school to inspire and motivate other students to keep reading as a good habit during their spare time in and out of the school contexts.

The school has been promoting DEAR Programme since 2011 on Tuesdays during lunch break to inculcate the love of reading. Primary students also get to enjoy their privilege of reading during their Library Period.

The more that you read, The more things you will know. The more that you learn, The more places you’ll go.
-Dr. Seuss
The feedback from CIE showed that majority of the students have acquired the necessary understanding in the three subjects, namely English, Mathematics and Science. They are ready to progress to Secondary 1 and Secondary 2 respectively with full confidence. For Year 9 students, the feedback will also provide a good indicator for them to decide on the subjects they would select in Year 10. We wish them all the best in their studies at the new Key Stage.
Star of the Month

The following students have been nominated as the Star of the Month.

Announcement

Year End Concert & Annual Award Ceremony

This year’s Annual Year End Concert and Academic Award Ceremony was held on 15 July 2016 at 6.30 in the evening. The change was mainly to facilitate the special requests made by parents and to encourage more participation by parents to attend the celebration and support their children with their unwavering presence.

We look forward to seeing more support from parents in the much anticipated event of the year whereby parents would witness the academic achievements of the students.

Reminders

Student Lockers

Parents, please remind your child to empty his/her locker before the term ends on 15 July 2016 and remove their pad lock. Any left behind items and unremoved padlocks will be disposed of during the holidays.

Booklists & School Fees Invoices

Parents are required to pre-order the books for academic year 2016/2017. A copy of the booklist and the invoices for school fees payment will be given to the students before the term ends.
