July marks the end of academic year 2015/2016. What a year it has been!

We kicked off this month with our Disney themed Pre-School Graduation Ceremony and Concert. Our little angels donned their graduation gowns and proudly received their scrolls from Dato' Steve Chong Yong On, Founder Chairman of our school and Datin Low Peck Tim, the Chief Executive Officer. The pre-schoolers also put up fantastic performances which made it a very a memorable day for their parents and teachers. The graduation also marks the end of their pre-school education and also their entry into Year 1 in the coming academic year.

The last day of school on Friday, 15 July 2016 ended with much pride and joy as we celebrated the success, talent and hard work of our teachers, students and staff with the Year-End Concert and Annual Award Ceremony. This year, it was extra special as it was held at night. This made it convenient for parents and students to attend. The turnout was large and this inspired the students to put on a great show for everyone. Records of Achievements and Students Awards were given out to students who emerged tops in class, year group and so on. We hope events like this will inspire students to reach greater heights and also motivate those who did not perform well to work harder. We would like to take this opportunity to thank all parents who attended the ceremony for their support as their presence had meant a lot to their children and the school.

The academic year of 2015/2016 drew to a close with the Parents-Teachers Conference. Many parents turned up as early as 8.00 a.m. to meet the teachers and also the management of the school. The conference provided an opportunity for parents to obtain valuable feedback from tutors and subject teachers on the performance of their children in Assessment 3, 2015/2016. The school records its’ appreciation to all the parents who attended the Parent-Teacher Conference and their strong and continuous support for the school.

The school also records its’ utmost appreciation to our Parents Support Group of 2015/2016 under the able leadership of Mdm Meenambigai Arulappan. The success of many programmes and activities would not have been possible without the strong support and backing of our Parents Support Group.

We look forward to meet all of you again next year. Together We Excel!
Austin Heights International Pre-school held its Annual Concert cum Graduation Ceremony on 1st July 2016. The presence of students, teachers, family members and friends from a vast spectrum of cultures and backgrounds provided a vibrant celebratory atmosphere, marking an extraordinary day for all.

The concert, themed “My Disney World”, showcased a variety of performances including dancing, singing and musical performances, besides the parade of many Disney cartoon characters.

We thank all teachers and parents for their efforts and contributions in making this year's event a wonderful and memorable one. Our young graduates and their families were notably impressed by the splendour of the ceremonial traditions and the grandeur of the hall.
YEAR END CONCERT & ANNUAL AWARD CEREMONY

The school made a special arrangement this year to enable more parents to be present to witness the Year End Concert and Awards Presentation Ceremony held on Friday 15th July from 6.30pm to 9.30pm. The occasion symbolised a great finale of a successful completion of the academic year 2015/16.

The students put up a good show in not only getting themselves recognised for their hard work, but also in presenting a variety of eye-catching performances showcasing their talents. However, the highlight of the evening was still the awards presentation that concluded what the students had fruitfully reaped by diligently sowing throughout the academic year.

The evening concluded with a warm, touching and emotional send-off from teachers and staff to the graduates, many of whom will be back for their next challenge in August for the academic year 2016/17.
Parents and students made a bee-line to the school, with some coming in as early as 8.00 a.m. to meet their child’s tutors and subject teachers. The PTC provided an opportunity for parents to obtain valuable feedback from teachers on their child’s performance in Assessment 3 and also their overall performance in school.

The parents also met the subject teachers for advice and guidance on how they can monitor their child’s studies at home. The school management were also present to welcome the parents. It was also a time for the management to obtain feedback on teachers’ performance, activities conducted in school and other related matters. The feedback and suggestions given by the parents will definitely help us to prepare for the next academic year.
